

Latest Pavilion News

June 7, 2010

Hi All,

The time has come!!!! We have started the ground work of the pavilion and now it is our turn to put some work in. This Saturday June 12th at 8:30 am we are in need of 20 volunteers to help us lay drainage pipe, move gravel and dirt, and start this first stage of construction for the pavilion.

If you are interested in working please bring work gloves, a shovel and/or a gravel rake. If you don't have one of these but still want to work come anyways we can use the extra hands.

Please email Ben Walters at bwalters@firstfriends.org, if you can help.

Blessings,

Pavilion Committee
