Becoming a "Dynamic Duo" In Your Marriage

Courage, loyalty, nobility, selflessness, justice, and a cause to champion; these are all qualities of super heroes. In marriage, we can be a "dynamic duo" one day, and arch enemies the next.

How can we partner together in our marriage to live out God's purpose in our lives, and in the world? How can our strengths cover our spouse's weaknesses instead of exposing them? What is our "mission" in marriage? What trials and battles have we come through for the glory of God? How do we continue to defeat our archenemy instead of being destroyed by him? Join us as we seek God and His Word for the answers to these crucial questions.

"Finally, be strong in the Lord and in his mighty power." **EPHESIANS 6:10**
